Product information.

User data:

- Electronic cylinder for up to 2000 users
- Identification media:
 - Pincode: 2000 Users
 - Fingerprint: 200-300 users, including 45 premium fingers
 - Passive transponder: 2000 users
 - Smart devices: 2000 users
- History functions: 2000 events

Function via optional software:

- User or group administration
- Time and calendar function
- Assignment of authorisations
- History function
- Visitor transponder function

Scope of delivery:

- Cylinder (according to fig.)
- Spacers
- Assembly material (incl. forend screw/hexagon socket screw)
- Covering rosette
- Serial number/factory admin code
- QR code for training regarding the products
- 1x CR123A lithium battery
- Operating instructions
